Art-Lift

The ideal solution for the demanding carrier.

In daily work with vans situations often occur where one must lift heavy loads. Sooner or later, this can lead to serious back problems and even partial disability.

The **Art-Lift** is a lightweight, compact lifting aid that allows for simple and easy installation in various types of vans.

It is economically priced and enables drivers to lift loads of up to 200 kg.

The perfect lifting aid for urban transport, trade and crafts.
